

## ENERGY EFFICIENT PRODUCTS AND SOLUTIONS

### Thermal Radiant (TR) & Vapor Barrier (VP) Hatchway Covers (Attic Staircase Covers) w/ optional coverlet for up to R-60 additional insulation

Heavy-duty construction, tear resistant, cost-effective, vapor guard, easy-to-install and thermal radiant barrier, which helps separate environmental location/conditions (e.g. hot or cold; humid or dry). Offering an optional coverlet that boosts the reflectivity factor, and adds up to R-60 additional insulation. Also shipping soon, is our "Spot-On" thermal temperature and humidity sensor, which offers real-time environmental monitoring.

- ≈20 R-Value w/ Coverlet
- Dust & Vapor Barrier
- ≈97% Heat Reflectivity
- Saves Energy
- Thermal Barrier
- Easy to Install

*"Let us show you how easy it is to save Money!"*

\*Optional Coverlet (just add insulation)
